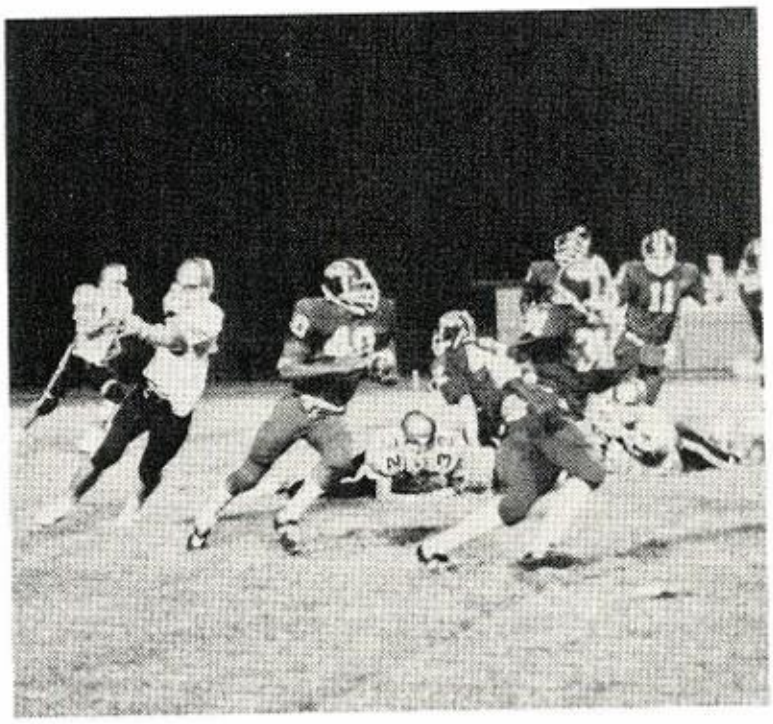
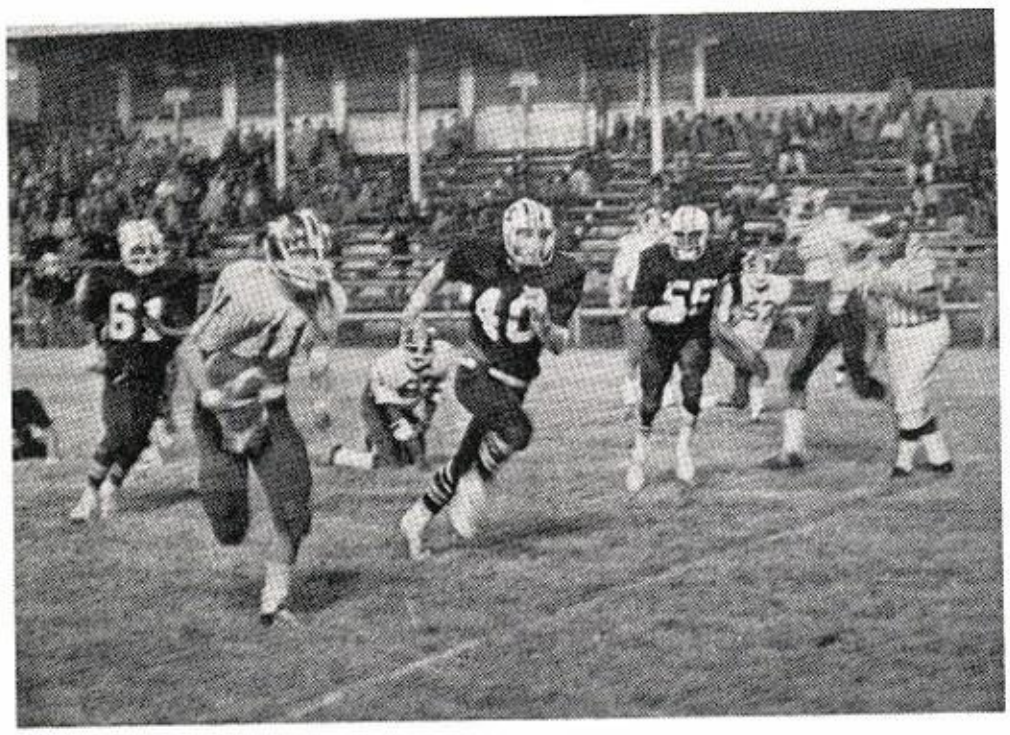
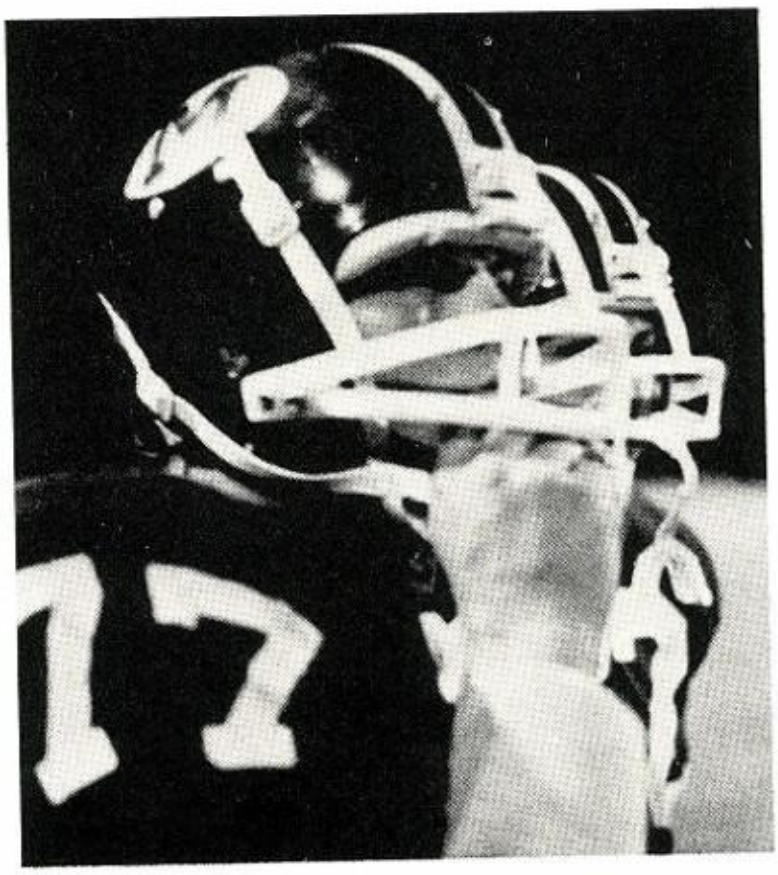
Football Frenzy

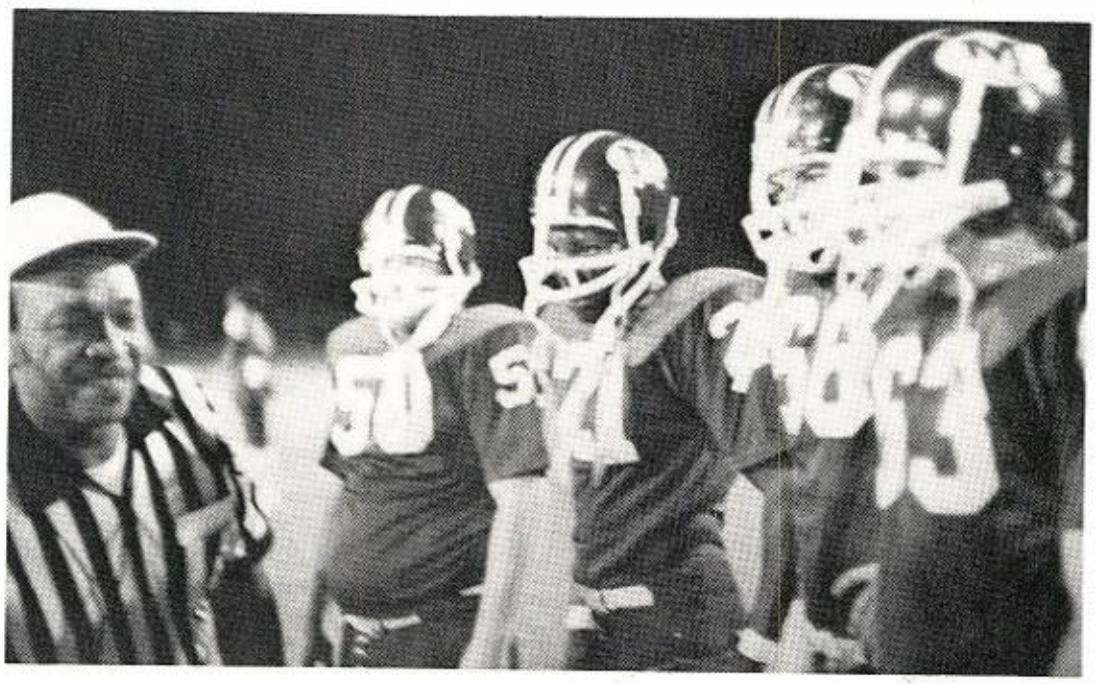


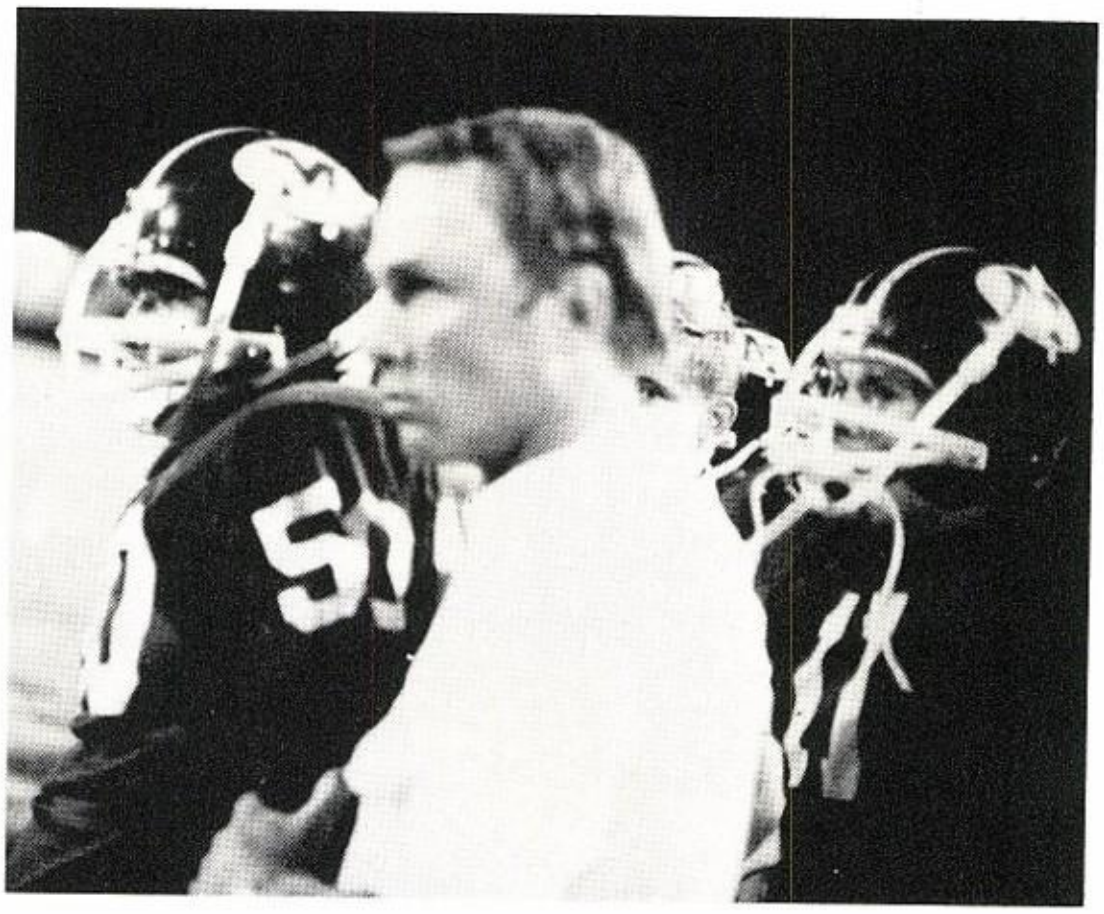




Marlin vs Rosebud-Lott

The Marlin Bulldogs started the new season with hopes of a district championship. The Cougars defeated Marlin 18-6. The Bulldogs lost no enthusiasm and showed good potential in the game.



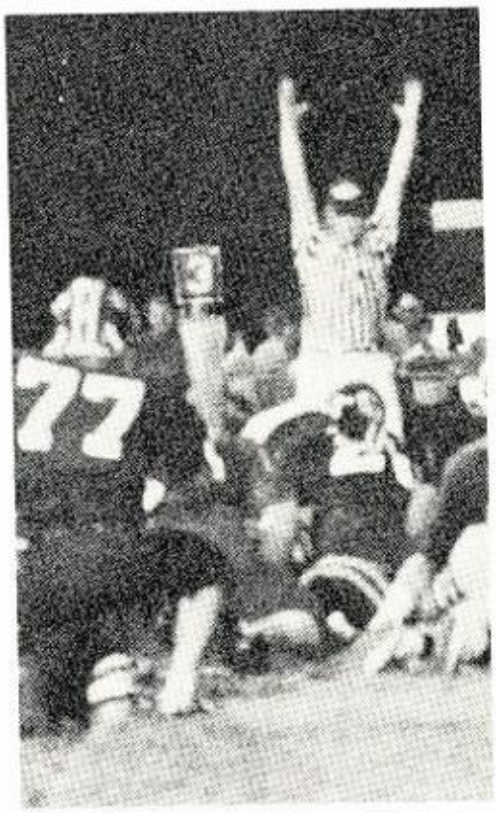


Marlin vs Gatesville

The Bulldogs put the pieces together after the Rosebud-Lott game and were full strength against the Gatesville Hornets. The Dogs played a great defensive game in spite of the inexperience of the defensive unit and won the game 18-7.

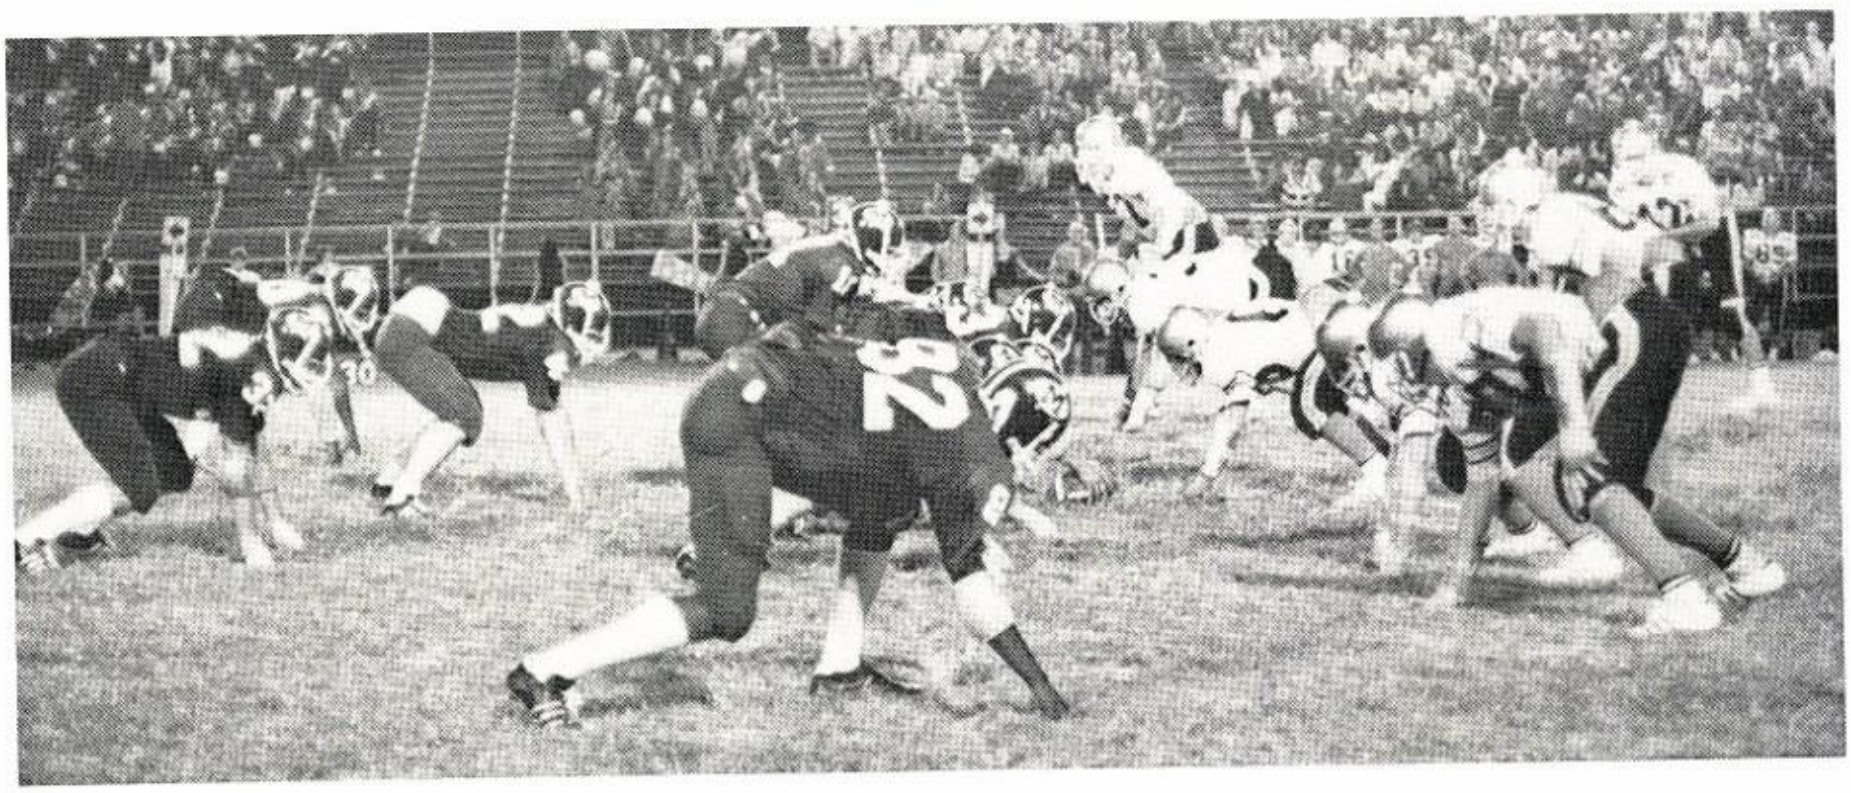
Marlin vs Jacksonville

With a win at their backs the dogs travel to Jacksonville hoping for another victory. A first quarter rally dangered Marlin's spirits. Jacksonville went in at the half with a good lead. In the second half the Dogs fought back but lost 21-18.



Marlin vs Midway

The enthusiastic Midway Panthers were a surprise to the Bulldogs. Before Marlin could get over the shock of the hardhitting Panthers, they were behind 7-0. The Dogs finally woke up, but had to settle for a 7-7 tie.

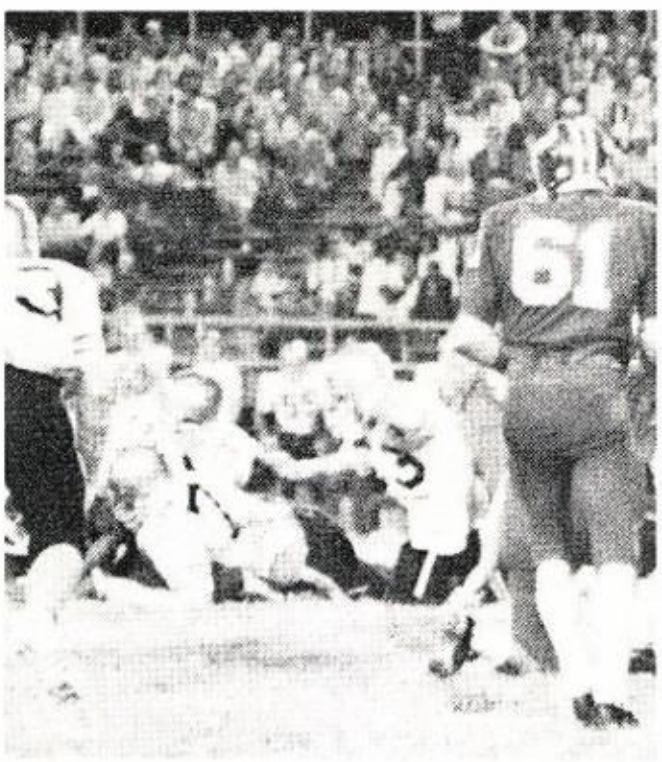


Marlin vs Rockdale

Rockdale was Marlin's last non-district game, and the Bulldogs sought to go in to district with a win behind them. But the Tiger defense forced Marlin to a 17-6 loss.

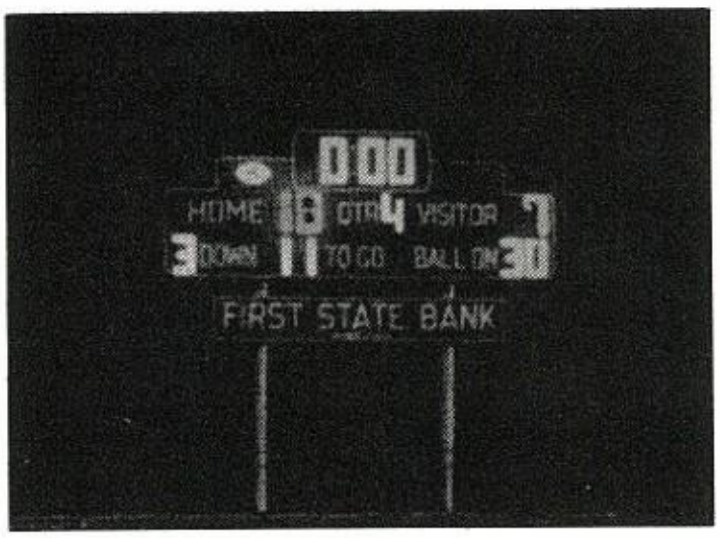
Marlin vs Athens

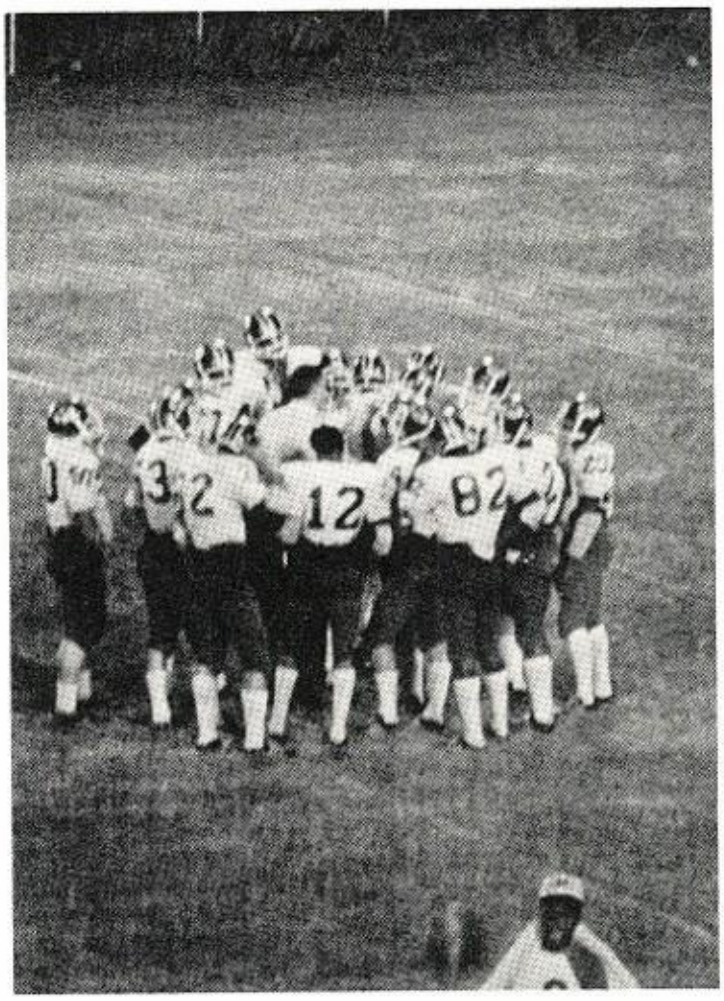
The Bulldogs made some changes after the Rockdale game and were ready to turn over a new leaf. But the Athens Hornets also wanted their first victory and won the game 41-0.



Marlin vs Ennis

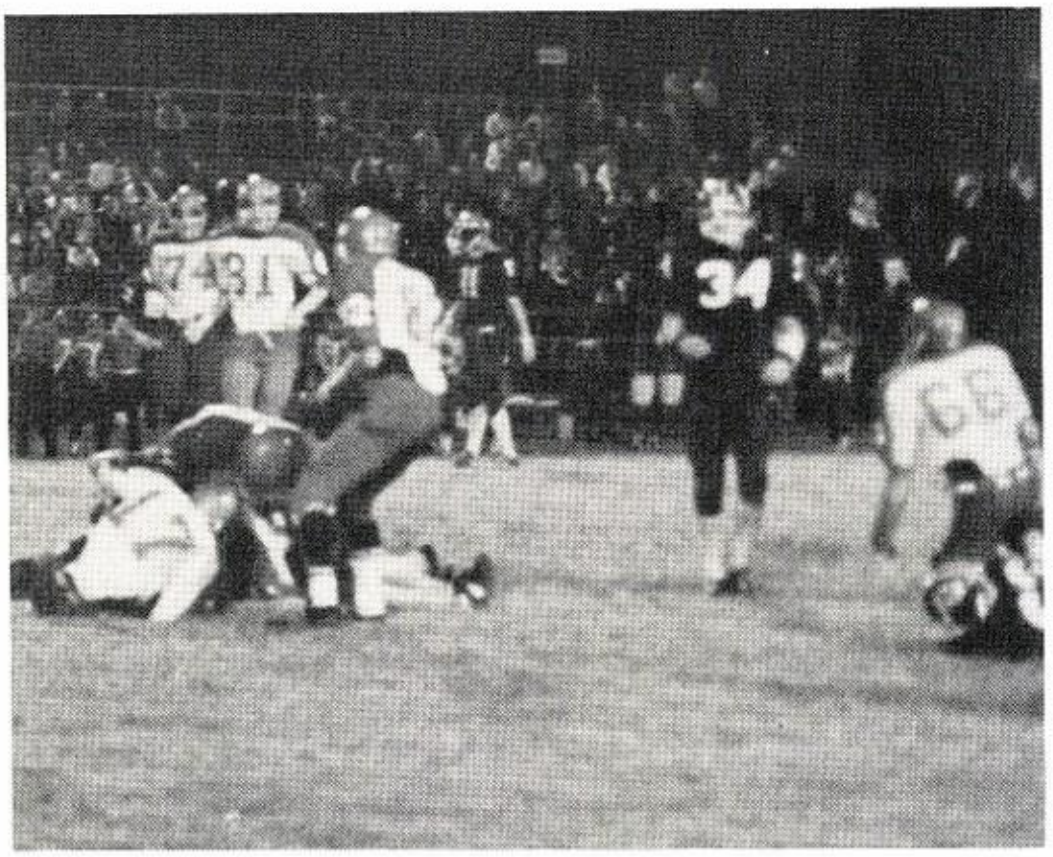
The Bulldogs practiced in shorts the Monday after their 41-0 defeat. Most people thought the Dogs had quit, but this thought was destroyed when the Dogs played their best game of the season but lost 32-22.





Marlin vs Jeff-Moore

Homecoming brought a large crowd and much excitement. The Dogs desperately needed a win and were confident of a victory. But the Lions had different ideas and beat Marlin 56-13.



Marlin vs La Vega

The LaVega Pirates were favored for this game because of the Dogs' defeats. However, the Dogs forgot about this and played as though they had won all their games. Marlin won the game 33-13 and proved that they never gave up.

Marlin vs Mexia

With all hopes of a district championship gone, the Dogs went to Mexia to make their record respectable. It was a hard fought game, but the Dogs made 4th quarter rally and won the game 8-7.

Spring Concert

During each year students in the band attend all 10 football games and march in halftime shows. The band always leads the Homecoming Parade and presents the Homecoming Princesses and Queen in a pre-game show at the Homecoming game.
After football season is over, band students participate in all-district and all regional band contest. Students enter UIL solos and ensemble contests, also.
During the latter part of the year the band presents a concert for assembly; and both the concert and symphonic bands enter UIL Concert sightreading contests. Last, but not least, the band plays for graduation ceremonies.

James Anna Diles, Evelyn Grams, Brenda Mason, and Susie Runnels

The goal of the High School Special Education student is to hold a job successfully so he can become a self-supporting citizen. Classes are attended whenever job schedules permit. While most students earn wages, there are a few who work on training stations without pay in return for the opportunity to be trained. All job training is considered class work; therefore, students are regularly-checked on for dependability, cooperation, and progress. After having met all seven criteria and successfully holding a job for a reasonable time, students have fulfilled the state requirements for high school graduation and receive diplomas.

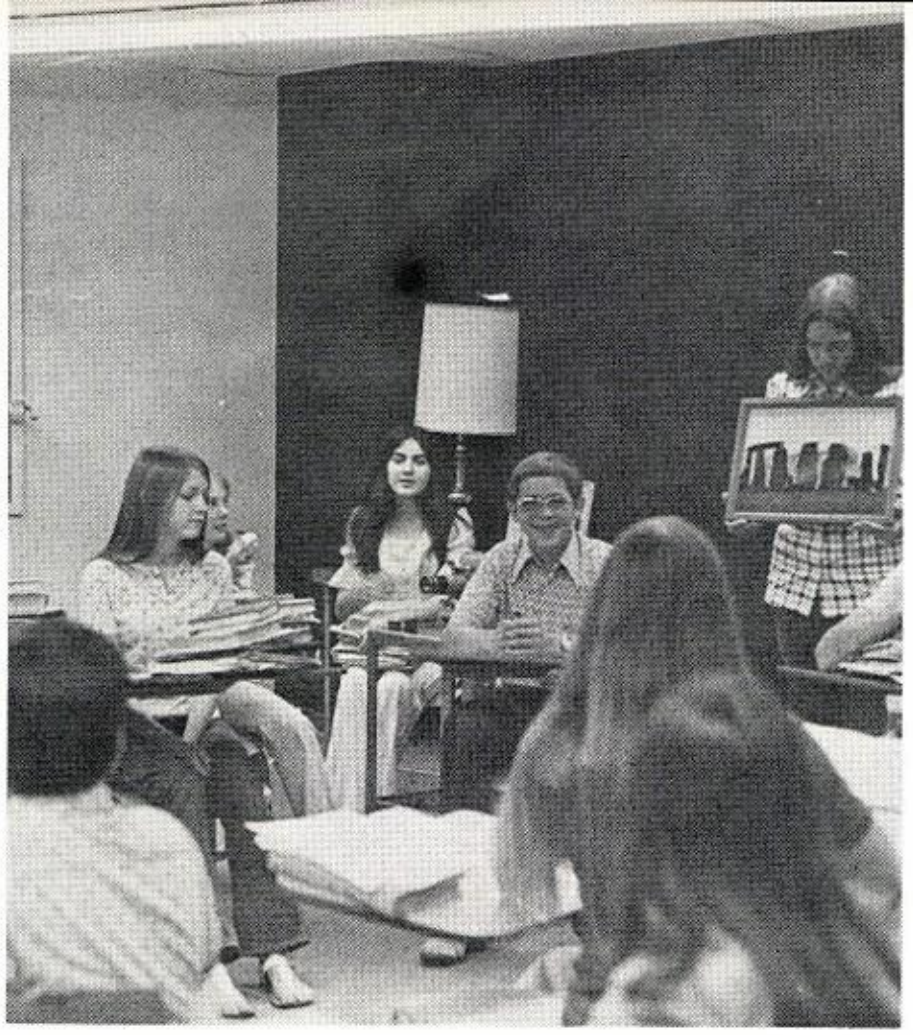
Latin

The first thing that a student notices as he begins the study of Latin I and II is the close resemblance between many Latin and English words. New horizons open for him in vocabulary and also in grammar and history. He translates Greek and Roman legends that are a part of world literature. He discovers how to concentrate and truly to learn what he is studying. As a part of Latin II, a term research project is done.



Oral exercises made classes livelier.

The Viesca Staff indeed had a fresh new day when school doors opened in August of 1973. This was the first year that summer delivery of the yearbook had been instituted and the student body started off the year autographing madly. Seniors who had worried about getting their yearbooks after leaving school found that it was quite simpler to come pick them up in August and found they could also greet their friends again before going their independent ways.

The 1972 yearbook set quite a precedent by winning 4 University Interscholastic League Press Conference Silver medals. The U.I.L. judging of the yearbooks was started last year, and the Viesca was submitted for criticism as it was this year, but at press time no report had been made for current awards.

The new school building provided a new dark room in connection with the journalism department which is far more convenient and complete for the photographers, who spent many frantic hours in its confines.

The Bulldog Staff with Cathy Kotter as editor and Mrs. Elizabeth Allen as sponsor put out 14 editions of our school paper in 73-74. For the first few issues, the BULLDOG was printed professionally, but with the concerted effort of Miss Dail Bauerschlag, student teacher in journalism, the staff switched to the school press for publication. Mr. Ronnie Scholz and his Office Duplication students did much to effect this transition. Not only did staff members benefit from doing their own paste-ups and learning make-up of newspapers from the ground up, but this process proved cheaper, and news reached the student body while relatively fresh.

Opening Poem
Nancy Papendorf

Look to this day!
For it is life,
the very life of life.
In its brief course
lie all the verities and
realities of your existence:
The bliss of growth;
The glory of action;
The splendor of beauty;
For yesterday
is already a dream,
and tomorrow
is only a vision;
But today, well lived,
makes every yesterday
a dream of happiness,
and every tomorrow
a vision of hope.
